Bold and Exotic Plants: Using Form and Shape to Create ... Bold and Exotic Plants is a practical, no-nonsense, garden design book focused on foliage that makes a statement. Every page contains beautiful photos that provide inspiration and visually demonstrate the author's design concepts. Bold and Exotic Plants by Noel Kingsbury - Goodreads Plants that leap out from the rest by virtue of their striking forms, vivid hues, large leaves, or dramatic spikes star in this glorious guide to designing exotic, award-winning gardens. Big, Bold, Tropical Foliage Plants - Black Gold Big, bold, tropical plants look amazing in summer gardens and large containers and drink up the summer heat and humidity. Often ornamental bananas, exotic elephant ears, upright sanserverias, strappy cordyline, and colorful croton are grown only indoors or way down South, but they thrive any place thatâ€™s steamy.
