Soul and Body - Wikipedia Soul and Body refers to two anonymous Old English poems: Soul and Body I, which is found in the Vercelli Book, and Soul and Body II, found in the Exeter Book. It is one of the oldest poems to have survived in two manuscripts of Old English, each version slightly different from the other. Spirit, soul, and body: what is the difference? | Biblword.net But what exactly is meant by body, soul and spirit? It seems not too difficult to distinguish the body from the soul and spirit. The body is physical and with the five senses (sight, hearing, taste, smell and touch) it connects and interacts with the outer world.
