Don't use both bold and italics together unless you must emphasize a word or phrase within a bolded section. Bold or italic | Butterick's Practical Typography Some fonts have both a bold style and a semi-bold style. You can use either for emphasis. I usually prefer bold to semi-bold because I like the greater contrast with the roman. But semi-bold is a little easier to read. Some fonts have styles that are heavier than bold, like black or ultra.
