Urban Dictionary: phone it in Literal - To present something, whether an idea, project, product, etc. by way of a phone call, rather than in person. Used to describe a lazy or uninspired attempt. Minimal effort. Urban Dictionary: phoned it in Derived from deciding to not physically attend a meeting in, but rather to be present by phone only. Even though he had a huge project due Friday, he went to a party and got hammered Thursday night. phone in - Wiktionary phone in (third-person singular simple present phones in, present participle phoning in, simple past and past participle phoned in) To deliver a message by telephone when etiquette demands the effort and respect conveyed by communication in person. To make a telephone call to a broadcasting station, especially to participate in a program being aired.

'Phone it in' vs. 'Dial it in' | Merriam-Webster To phone it in is to do something with low enthusiasm or effort. While the phrase may sound innocuous enough in an age when telecommuting and conference calls are common, it originates from the notion of someone who can't be bothered to show up when expected.
