Picturing California's Other Landscape: The Great Central ... Picturing California's Other Landscape has 4 ratings and 1 review. Pat said: A beautiful book of California's central valley. Photos and art tell it's st. Picturing California | Flickr This group is for images of California, for people like me who know it well, who travel around a bit, and are interested in exploring the question, "What is California?", delving into the myths and legends about California we all carry in our minds, self-created or imposed by the outside world. Any images are welcome, by residents or travelers, as long as they are of California. Picturing California - SFGate It's another flat California body of water ringed by mountains, but here we're positioned at the landward end of a wooden dock that draws the eye out toward Lake Tahoe's center.
