Piece | Definition of Piece by Merriam-Webster Divide the pie into six equal pieces. The cheese was cut into small pieces and arranged on a silver platter. You have a piece of lettuce stuck between your teeth. Her broken bicycle lay in pieces by the side of the road. I watched her rip the letter to pieces and throw it away. There are 12 pieces in this stainless steel knife set. Pieces of You Pieces of You is a story of one day...with many different people. About what happens when people disengage from thinking about posing and a moment happens where there is nothing but the music playing, the sound of breaths as they are inhaled and exhaled, and the click, click, click of the shutter that sounds remotely like the thud of a car door closing over and over again. Pieces | Define Pieces at Dictionary.com to make by or as if by joining pieces (often followed by together): to piece a quilt; to piece together a musical program. to join together, as pieces or parts: to piece together the fragments of a broken dish. to join as a piece or addition to something: to piece new wire into the cable.
